

## ENCHANTED FOREST WEDDINGS

Tucked away and hidden from view, Enchanted Forest sits on acres of rolling hills and offers panoramic views of the De Luz Valley. Surrounded by private hedges much like those found framing European castles, it boasts luscious park like grounds, a lake with swans, fountains, flowing waterfalls, castle turrets, stone walls and courtyards.

With its outdoor setting this charming venue is reminiscent of a place we only imagined in fairy tales. Located in North San Diego County, between Temecula and Fallbrook, De Luz Valley is one of San Diego County's hidden jewels. Not everyone knows about us and our couples prefer it that way, often keeping it their little secret until guests arrive.

With a selection of ceremony sites and a venue that is yours for the day. Envision your magical day on castle grounds.
